Storage Conditions

For best results store contents of open paper bag in container with sealing lid. Store in a cool (23°C or colder), dry (approximately 50% RH) location. Freezing will not harm the diet and may extend freshness. Use within 1 year of diet manufacturing.

¹Based on the latest ingredient analysis information. Since nutrient composition of natural ingredients varies, analyses will vary accordingly.

²Calculated based on Atwater factors - 4 kcal/g protein, 9 kcal/g fat, 4 kcal/g carbohydrate.
