Vitamin K (mg), min.....	0.09	Carotene (mg) min.....	0.27

Ingredients

Maltodextrin, Manganese Methionine Hydroxy Analogue Chelate, Ascorbic Acid (Vitamin C), Ferric Citrate, Thiamine Mononitrate, Zinc Amino Acid Complex, DL-Alpha Tocopheryl Acetate (Vitamin E), Shellac, Diacetylated Monoglyceride, Choline Bitartrate, Magnesium Stearate, Silicon Dioxide, Calcium Pantothenate, Pyridoxine Hydrochloride, Riboflavin Supplement, Nicotinic Acid, Menadione Sodium Bisulfite Complex (Vitamin K), Basic Copper Chloride, Vitamin A Acetate, Beta Carotene, Folic Acid, Calcium Iodate, Biotin, Vitamin D3 Supplement, Vitamin B12 Supplement.

Feeding Directions

- Feed 1 tablet per 1.1 lb. (0.5 kg) of fish or shellfish by placing the tablet into the food.
- Feed within 12 hours.

Storage Conditions

Keep lid tightly closed after removing the required amount. Store in original container in a cool (24°C or colder), dry (approximately 50% RH) location. Use within 1 year of bag manufacturing or “Best if used by” date.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
