Feeding Directions

- **0.2 g tablet:** Feed 1 tablet per 1 oz (28 g) of fish or shellfish by placing the tablet into the food.
- **1.5 g tablet:** Feed 1 tablet per 0.50 lb. (226 g) of fish or shellfish by placing the tablet into the food.
- Feed within 12 hours.

Storage Conditions

Keep lid tightly closed after removing the required amount. Store in original container in a cool (24°C or colder), dry (approximately 50% RH) location. Use within 1 year of bag manufacturing or “Best if used by” date.

Ingredients cause tablets to have a speckled appearance. Coating on tablets may become speckled with exposure to air – this is not indicative of any vitamin degradation.
